— YOUR DAY —

“We’re here to celebrate your style...”

Your ceremony isn't just any event - *it's a reflection of your unique style*. Our stunning barn, dressed in soft ivory linings and glowing festoon lights, transforms to suit your vision. Whether you're dreaming of romantic florals, boho textures, or sleek modern elegance, the space adapts effortlessly to celebrate your individuality.

Our cream Chiavari chairs provide a timeless foundation, while every other detail is yours to define. From 20 to 150 guests, the ceremony space expands or contracts to match the energy of your day.

Looking for something even more intimate? Our enchanting Tipi offers a magical backdrop for smaller gatherings.

And the best part? When you hire the Vallum Weddings, your ceremony space is complimentary - because your love story deserves a stunning beginning.

— THE TIPI —

“an enchanting, bohemian twist to Vallum’s countryside charm”

The tipi serves as a beautifully versatile space - whether it's a serene retreat for intimate gatherings, a lively hub for evening entertainment, or a laid-back lounge with luxe seating and ambient lighting. Draped in soft linens and adorned with warm fairy lights, the tipi offers shelter without sacrificing the magic of the great outdoors.

The tipi provides an extension of the expansive outdoor space.
It is an absolute must see at your face-to-face visit.

You can book a viewing on our website www.vallumweddings.co.uk or by emailing hello@vallumweddings.co.uk.

What's more - the tipi is included at no additional cost. Can you picture yourself sipping cocktails together yet?

— DINING —

Experience a culinary delight.

Your food should be every bit as memorable as the vows you exchange. Whether you're planning an intimate gathering or a grand celebration, our talented team of chefs - led by the brilliant Jonny, whose culinary journey includes time with Jamie Oliver and Terry Leybourne - craft dishes that are beautifully tailored to your tastes and vision.

From time-honoured classics to innovative creations, our menus celebrate the best of Northumberland's rich produce. We proudly source our pork and beef from the renowned North Acomb Farm just down the road—meat that's as exceptional as the love you're celebrating.

Food is a centrepiece of every culture's wedding traditions, and our bespoke menu service makes planning your feast effortless - choose from our curated menus or let us design one especially for you, paired perfectly with drinks to suit every taste.

Whatever your guests' needs, every dietary requirement is welcomed and catered.

This is dining that delights, nourishes, and lingers in memory - an experience infused with flavour, warmth, and impeccable service.

Check out the sample menus on our website - they might very well give you an idea of what we can offer!

— OUTSIDE SPACE —

“The party really starts when the sun goes down!”

Our expansive dance floor—crafted from characterful reclaimed scaffold boards—is the heart of an unforgettable celebration. As night falls, festoon and cascade lighting illuminate the space, casting a warm glow over breathtaking Northumberland views. With fire pits crackling and fairy lights twinkling, our picturesque barn transforms into an effortlessly stylish party destination.

Beyond the main venue the surrounding outdoor space invites celebration under open skies.

Your guests can sip cocktails in the golden hour glow, gathered around crackling fire pits or seated at rustic-chic tables adorned with seasonal florals.

Lawn games bring a playful spirit to the day, while panoramic views of the Northumberland countryside provide the perfect backdrop for golden-lit photos and unforgettable moments.

As twilight deepens, fairy lights weave through trees and festoon-lit walkways lead to relaxed, laughter-filled conversations beneath the stars.
